

# Education for Sustainable Development – USAID Perspective

**Tim Ong**  
HCMC Office Director, USAID/Vietnam

# USAID Education Policy

- **Vision:** A world in which education systems in our partner countries enable all children and youth to acquire the education and skills needed to be productive members of society.
- The **primary purpose** of USAID's education programming is to achieve sustained, measurable improvements in learning outcomes and skills development.

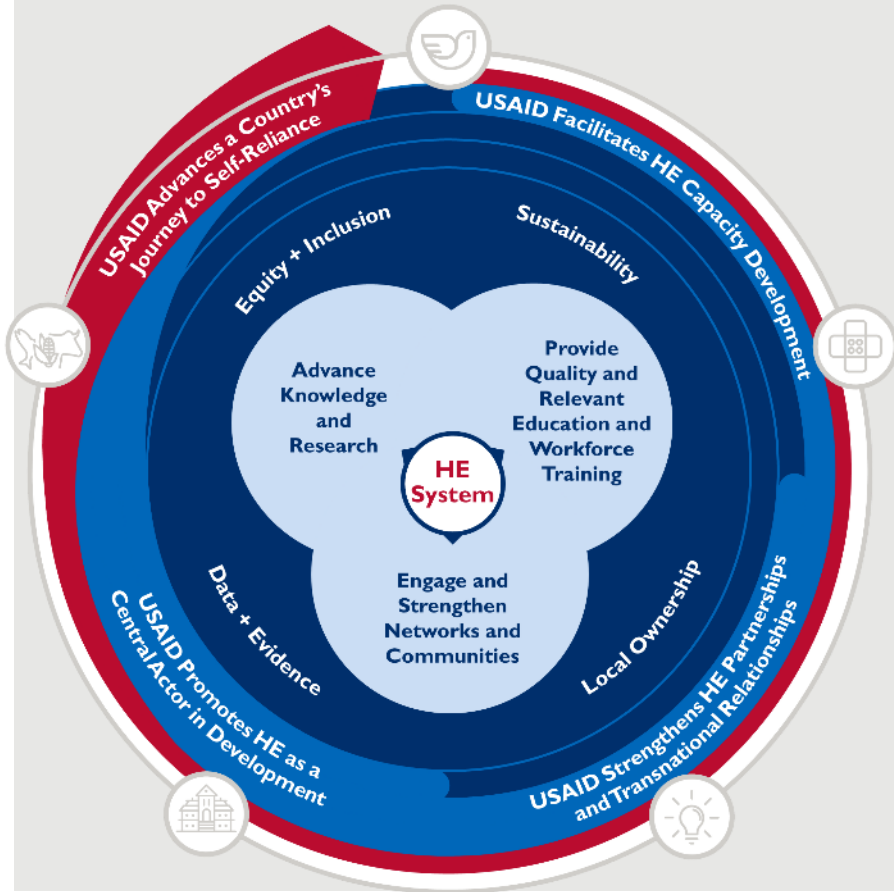

## USAID EDUCATION POLICY

November 2018

# Higher Education Program Framework

## Three Outcomes of USAID-Funded Higher Education Programming

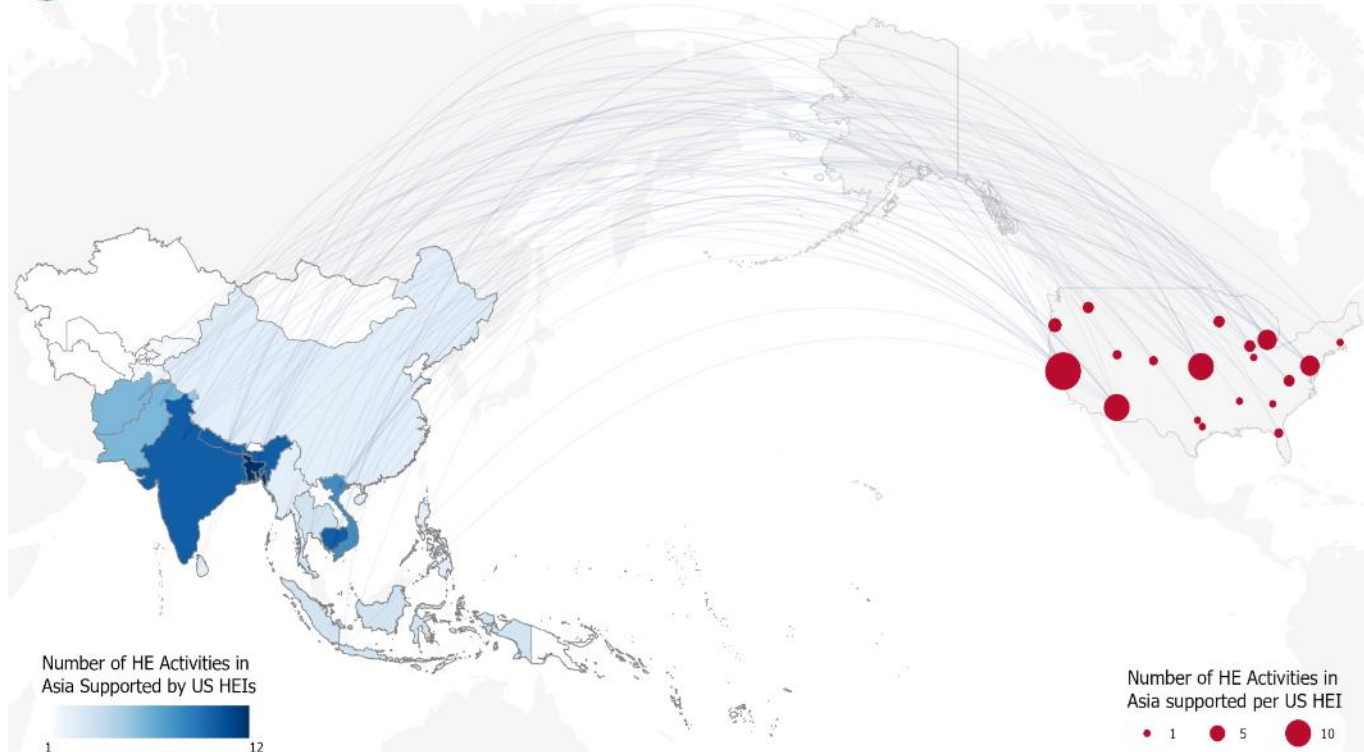

- Developing the capacity of individuals and higher education institutions
- Strengthening partnerships and transnational relationships
- Promoting higher education as a central actor in locally led development
